

Students' Needs and Expectations

Report from the survey made on

Group name / Course Title:

Semester:

Total number of responses ...

Planned delivery mode of the course			
Face to face	...	Distance	...
Blended	...		
The year of learning in the school			
1-2	...	3-5	...
6 and more	...		
I have already experienced online classes:			
Yes	...	No	...
I have used following online communication platforms			
Zoom	...	Teams	...
Others	...	None	...
Clickmeeting			
To participate in online classes I have:			
Computer with camera	...	Stable internet connection	...
Headphones	...	None of these	
This is how I assess my language skills at present according to the level of the course:			
Reading	...	Writing	...
Speaking	...	Listening	...
Grammar	...		
Vocabulary	...		
I want to learn English for the following reasons:			
Getting to know other cultures			...
Better career opportunities			...
Social participation			...
Other			...
I can spend following time learning between the classes (homework, revising etc.):			
over 2 hours a week	...	ar. 2 h/ week	...
1 h/week	...	0,5 to 1h / week	...
less than 0,5 h/week	...		
Following skills are the most important to accomplish my goals:			
Reading	...	Writing	...
Speaking	...	Listening	...
